SECTION: COUNCIL POLICY	POLICY TITLE: MUNICIPAL GRANTS AND SPONSORSHIP

1. PROGRAM INTENT

- 1.1. The aim of the *Municipal Grants and Sponsorship program* is to provide modest levels of support and assistance to specific community non-profit organizations and charities. This support is in recognition of the value that these groups provide to the wellbeing and growth of the community and in helping the Municipality retain a strong community focus. Every year the Municipality receives more grant requests than it can fund.
- 1.2. The intent is also to focus the nature of these grants to specific initiatives, and to define Council's criteria to predetermined standards that are clear to the applicant. Supporting volunteer, community-based organizations is often fundamental to maintaining our quality of life. The Municipality of Argyle provides initial support to these organizations with the approval of *Bylaw #28 - Respecting Tax Exemptions for Non-profit Organizations*.
- 1.3. This program does not govern the following, which are separately administered:
 - 1.3.1. Grants and contributions pursuant to inter-municipal, memorandum of understanding (MOU), or other regional agreements, such as the Yarmouth International Airport Corporation, Yarmouth Area Industrial Commission, Mariners Centre, Yarmouth Acadian Shores Tourism, Argyle Courthouse and Gaol, or any other organization this may apply to, but is not listed;
 - 1.3.2. Tax Exemption for Non-Profit Organizations (*refer to By-Law #28 – Respecting Tax Exemptions for Non-Profit Organizations*)
 - 1.3.3. Residential Property Tax Rebates (low-income homeowners – *refer to Article C16 – Low Income Property Tax Exemption*);

2. AUTHORITY

- 2.1. Section 65 au, *Municipal Government Act*.
- 2.2. The grants awarded will be published once per year. A list of recipients of grants and the amounts will be published in the local French and English newspaper, social media site, and web site. Other media outlets will be optional.
