

MUNICIPALITY OF THE DISTRICT OF ARGYLE POLICY AND ADMINISTRATION MANUAL	REFERENCE NUMBER _____
SECTION PROCEDURE AND ORGANIZATION OF COUNCIL	SUBJECT GRANTS PROGRAM

1. PROGRAM INTENT

- 1.1.** The aim of the *Municipality Grant* Program is to provide modest levels of support and assistance to community non-profit organizations, charities and recreational organizations within the Municipality and/or supporting the Municipality to assist with their priorities. This support is in recognition of the value that these groups provide to the wellbeing and growth of the community and in helping the Municipality retain a strong community focus. Every year the Municipality receives more grant requests than it can fund.
- 1.2.** The intent is also to focus the nature of these grants to specific initiatives, and to define Council's criteria to predetermined standards that are clear to the applicant. Supporting volunteer, community-based organizations is often fundamental to maintaining our quality of life. The Municipality of Argyle provides initial support to these organizations with the approval of Bylaw #28- *Respecting Tax Exemptions for Non-profit Organizations*.
- 1.3.** This program does not govern the following, which are separately administered:
- a) Grants and contributions pursuant to inter-municipal or other regional agreements; such as the Yarmouth International Airport Corporation or the Western REN;
 - b) Municipality of Argyle Fire Services operating & capital grants;
 - c) Tax Exemption for Non-Profit Organizations (full and partial tax exemption bylaws);
 - d) Residential Property Tax Rebates (low-income homeowners); and
 - e) Approved funding for the Argyle Courthouse and Gaol, which is owned by the Municipality and not subject to grants to a separate organization.
 - f) Funding requests received by YASTA and the Yarmouth Area Industrial Commission.
- 1.4.** Community groups can access funds in two ways through the *Municipality of Argyle Grants Program*. The first is the general application process (*see section 3 below*) with deadlines on April 15th (spring issue) and on September 15th (fall issue) of each year and the second being a special category for *Community Grants (see section 7 below)*.
- 1.5.** Both categories funds projects, initiatives and events that complement Municipal priorities as identified in our Strategic and Active Living Plan.
- 1.6.** Each category is subject to maximum levels of funding to be determined by council on an annual basis. The same community group cannot submit applications to both deadlines (April and September) of the General Application Process.
